Virtue of the Week

Commitment

*I practice commitment. I
make good decisions and give
my all to whatever I do. I
keep my agreements. I am a
faithful friend.*

Hello everyone

This Friday we will hold our Remembrance Day Ceremony at 10:30am with special guests Mr Gray and Mr Heffernan from Bangalow RSL. It is always a beautiful ceremony and we hope many of you can join us. Please feel free to bring along a reef or flowers to lay at the flag pole.

The Bangalow Show is fast approaching with the students preparing a wide variety of items to enter. From artworks to poetry to handwriting and of course our world famous POTATOES! Make sure you get along on Friday night or Saturday morning to see how many ribbons we take out this year!

Our new school 3D ceramic wall sculpture is beginning to take shape as every student in the school starts to create their Big Scrub biosphere element to add to the finished piece. Nat is volunteering most of her time to support the project beyond the funds that were raised from the Bangalow BBQ & Bluegrass team.

Count Us In Too was an amazing success last Thursday, with the whole school joining in to sing along with students far and wide. Thank you to Miss Sue for coordinating this event each year.

There is an amazing project that's coming together this week which will put our beautiful school and our amazing students front and centre across the whole planet. We have teamed up with a global singing sensation as part of our ongoing anti-bullying work. All will be revealed very soon but I could not be prouder of our school at the moment as we work collaboratively to get the message out that bullying is not ok. Remember that **When They Go Low... We Go High!**

Have an amazing week!

Mr Coleman,
Principal. 😊

What an amazing event. Was so much fun to sing along with students from all around the country!

Book Character Parade / Grand Friends Day and Book Fair

What a talented and creative bunch of families we have. Last week our students looked amazing as they brought their favourite book characters alive. The school was buzzing with all our Grand Friends and families here for the Book Character Parade and Book Fair. The P&C raised a few hundred dollars selling soaps and plants as well.

Book it in your calendars for next year!

Head Lice

There have been a couple of confirmed cases of head lice this week. Please check your child/ren and treat as required. Remember Sunday night is Nit Buster Night!

A loan of \$400 helps to buy whole coconuts to make copra
(dried coconut meat used for oil production).

Toriano's story

Toriano is a hardworking father from Tudela. He is 48 years old and a businessman, who makes copra (dried coconut meat used for oil production). He buys whole coconuts for this.

Toriano has signed up for his membership with the cooperative to gain access to insurance and credit. He applied for a loan to buy whole coconuts for making copra. Toriano hopes to succeed in this business to continuously provide for his family.

This loan is special because:

It allows borrowers in underserved regions to access capital.

This is the latest loan the SRC have supported within KIVA. This is our SRC's 5th Business Loan that they have supported. 4 of the businesses have started to repay their loans which has allowed us to fund this new loan. Located in the Philippines, Toriano is seeking a loan to increase his businesses capacity to make more profit. The students will track this loan over the next 15 months. We love KIVA and how it helps us to help people in a positive way through enabling their business to grow.
