Virtue of the Week

Flexibility

I am flexible.
I keep changing for the better. I look for new ways to do things. I welcome surprises.

Hello everyone

Eureka Public School hits the global stage! Our work on Anti-bullying this term has gone global as Peyton's song has become the theme for Anti-bully Week UK and his shout out to our school is included in his message. We featured on ABC North Coast Radio this morning and I would ask you all to spread the message about our students work far and wide on social media. We have so much to be very proud of and the world wants to know.

I had a lovely email from the Bangalow RSL today telling me how amazing our school Remembrance Day Ceremony was. Thank you to all our staff and students that spoke so beautifully and made the ceremony so special.

Our school has always been a supporter of the wider community and has enjoyed a wonderful relationship over many decades with the Eureka Recreation Grounds. We appreciate the use of their fields and tennis court and to thank them we have assisted with the purchase of a brand new net for the tennis court, which should be installed in the next week or so.

Each Semester we budget to improve the learning spaces for our students and staff. This week some new furniture has arrived for both classrooms, improving the flexibility and functionality of the spaces. Miss Lisa recently shared the Junior Class learning space on Facebook and it has been the envy of teachers and parents all around the world!

There are lots of upcoming events and Permission Notes for the upcoming last few weeks of the year so please read this newsletter carefully to ensure you are on top of it all.

Mr Coleman,
Principal. 😊

Waste Warriors Presentation

On Tuesday 28th selected students from the Senior Class will be travelling to Byron Council Chambers in Mullumbimby to present our school's Waste Warriors Project 2017. The students have created a video detailing all the mini-projects that have been completed throughout this year to reduce our waste. It has been a great project with various aspects still rolling out across the school. If we win the \$1000 we will be able to implement some other exciting aspects which will make waste control even easier. The students chosen are Harper, Zoot, Emily & Thomas. Fingers crossed and watch this space!

Summer Swim Scheme

Our annual Term 4 Swimming Scheme is happening all of Week 8 this Term. All students from K-6 will participate in 10 lessons over 5 days. We will leave school each day after recess and return by 2:30pm. The only cost is \$10 per child to cover part of the bus costs as the program has been funded through the Sporting Schools Program. Please ensure students have morning tea, lunch and water provided each day as well as all clothes labelled and that they arrive at school in full uniform.

Bangalow Show

The annual Bangalow Show is on this Friday and Saturday. Our school will have selected entries in Handwriting and Visual Arts / Craft this year. Unfortunately our potato crop failed so will not be entering that category this year. See you at the show!

Art With Nat

Our students have been working with Nat Clark on some amazing ceramic pieces which will be part of a mural in our sandpit area. The individual pieces are ready to be glazed next week and then the construction of the mural will occur. Partly funded through the Bangalow BBQ & Bluegrass Festival and Nat's generous volunteering of her time, the project has been wonderful and I can not wait to see the results.

School Spectacular—Own The Moment!

I am away all next week in Sydney for my role as Assistant to The Director for the 2017 Schools' Spectacular. Miss Lisa will be Rel. Principal for the week.
