Hello everyone

What an amazing night the 2017 Lismore Lantern Parade & Fiery Finale was. I have had so many emails and messages of thank you in regards to our students performance and about how moving and meaningful the Finale was for so many people. Well done everybody. I can only do all the extra things I do because you are so supportive. Thank you!

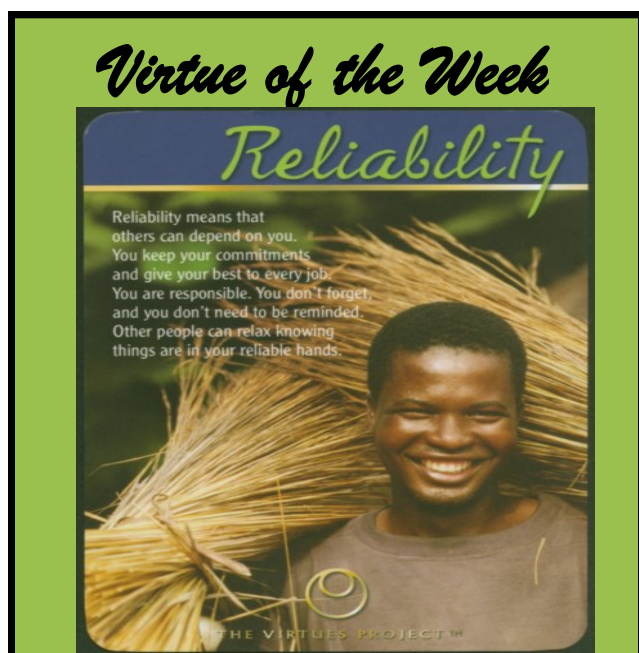

Our P&C Auction is off to an amazing start with \$3000 already raised. A huge thank you to everyone that has sourced items to Auction and to all the businesses that have donated. The generosity is overwhelming. Now we need to share the auction far and wide to all our friends on social media and ask them to share as well. There are more items being added all the time so please keep approaching businesses to see what they can offer. A recent quote for the project came in at \$15,000 at a minimum so we really need to make this auction as successful as possible. There really are some amazing items, experiences and services on offer. See inside this newsletter for links or access from the school's FB page. Bid & Share away!

Good luck to all our students attending the SCU Science 7 Engineering Challenge tomorrow! go Team Eureka! Find final information inside this newsletter.

Don't forget that this Friday is last day of term and in true Eureka style we will have an SRC Gold Coin Mufti Day & Crazy Hair fundraiser. Also on Friday, some more of Miss Kate's music students will perform as part of our assembly. Friday will also be the last day with us for Oskar & Arky and their family as they move to Brisbane. We thank Will and Jess for all their support throughout their time with us and wish them well in their new venture.

Finally, thank you to everyone for another amazing Term. It just gets better and better! Have a safe and enjoyable holiday break. Students return to school on Tuesday, July 18. P&C is also on that night!

Science & Engineering Challenge @ SCU

Students need to be taken to SCU by 9:30am to meet Miss Georgia. They should be in full school uniform and have pencils etc. Once you get to SCU, the parents need to enter the Southern Cross Lismore Uni Campus via the Military Road entrance, pass through the Security Gatehouse this way and they will direct them through to the Bus Drop off and Pick up Point- The building is next to this point. Miss Georgia's phone number is 0421640034 if you need to call her. The event will finish at 2:30pm. Parents may stay to watch some of the challenges but they are not allowed to assist or be with their children. It is vital that all students attend so that we have enough teams to compete in all the challenges.
