Message from The Principal

Hello everyone,

Last week I had the pleasure of taking our Spelling Bee Regional Finalists to Ballina PS. All four students did incredibly well with some very challenging words. Yet another example of how our students achieve amazing things in a small school setting! Congratulations to Billie, Tom, Aslan and Ronan.

Last week we also had a visit from some future students and their families with the FCCC children coming along for their last visit prior to joining our Transition to Kindy program which runs each Wednesday from Week 1 (Wednesday 17 Oct) till Week 5 (Wed 14 Oct) in Term 4. We are still taking registrations for this program so spread the word.

Next Thursday the Junior Class is heading to Lismore for a special trip to the Library and the Art Gallery. Thank you to our P&C for supporting this excursion.

Our Year 6 students completed the VALID Science Assessment online last week. Well done to Luka and Isla for facing the challenge with positivity and confidence.

NAPLAN results are going home today. Congratulations to all students on another set of incredible results. I look forward to sharing results with students in conferences this week and if parents would like to make an appointment to talk through their child's report, please contact the Office.

Please return this order to school on Wednesday with the money included in the envelope.

When placing canteen orders please include correct change whenever possible. Also, can recess items please be purchased by the children with money rather than including extra money in the lunch order as it is getting quite complicated for the volunteer to keep track of things. Your help in this regard is greatly appreciated!
