Message from The Principal

Hello everyone,

Our Remembrance Day Ceremony on Friday was yet another beautiful service, made even more special by the donation of 15 crochet poppies from Mrs Grey who made them specially for each of our speakers. I was so proud of all the students that spoke so eloquently and reverently to mark the 100th year since the end of WW1.

This Wednesday sees the culmination of our hugely successful Kindergarten 2019 Orientation Program. All seven students have really settled in well to “big school” with the help of their amazing older buddies and classroom teacher Miss Lisa’s wonderful activities. I look forward to presenting each of them with their Graduation Certificates at the end of the day tomorrow.

It is that time of the year again when I put on my Spectacular hat and head off to the NSW Schools’ Spectacular to work with the Creative Director as their Assistant as we pull the show together in the final lunge to live performances on November 23 & 24. With over 5000 students from Public Schools across Australia it really is the Greatest Show of its kind on Earth! This is my 18th year working in this role and each really does get bigger and better each year! Have a great week! 😊

The Child Oral Health Service would like to remind parents and carers that teeth are important for normal development, function and health. They help children eat, speak and smile.

- ☑ Poor oral health can have adverse effects on growth, self esteem, nutrition and social behavior.
- ☑ Adult molars erupt behind the baby molars at about 6 years of age. Children need help to clean their teeth effectively
- ☑ Help your child to brush their teeth until age 8-10. Use a small amount of fluoride toothpaste, encourage children to spit out not rinse.

Keep the kids active this summer with these Christmas present ideas: toys for water play (blow-up floaties, slide, water pistols, body board), badminton set, skittles, totem tennis, different shape balls, kite, skipping rope, basketball hoop, pogo stick or elastic.

ORDER:.....

Please return this order to school on Wednesday with the money included in the envelope.

When placing canteen orders please include correct change whenever possible. Also, can recess items please be purchased by the children with money rather than including extra money in the lunch order as it is getting quite complicated for the volunteer to keep track of things. Your help in this regard is greatly appreciated!
