

Eureka Public School

Your Future Success Starts Here

Term 4 Week 9 2021

Wednesday 1st December 2021

Principal's Message

Hello Everyone,

School Musical

Thursday night is the big night of our school musical. A letter went home yesterday with all of the details that you need to know. We will be sending students home with their costumes on Thursday afternoon, and will see everyone at the Star Court Theatre at 5:45pm for some light refreshments followed by an hour of entertainment. Afterwards the P&C have organised a dinner for participating families at a local restaurant. A reminder the Star Court Cinema have a double vaccinated entry policy, however there is no ticket cost to families this year. See you all Thursday night.

Film Festival

Next Thursday, at the Bangalow Showground, we are hosting the first Northern Rivers Film Festival. Made up of films from local schools, the film festival showcases the creative talents of all of our students. Eureka Public School have two entries this year, one from the Junior class and one from the Senior Class. The students have worked very hard on their film so please support the festival and purchase a ticket. The cost is \$20 per car and can include as many people as you can fit inside. Tickets can be purchased online <https://www.ticketebo.com.au/FBTNR2021>

Prize Giving

After much consultation and discussion, we have come to a final decision involving the end of year prize giving. Unfortunately, there are still a number of restrictions in place in term of parents on site as

well as space required using outside venues. The school will hold the end of year prize giving at school outdoors to adhere to department requirements. Once again, we will look to record the event and make it available to all families after the ceremony. A small number of Year 6 parents are allowed to attend if they are presenting for the ceremony which we will be allowed to do in line with the plans of other local schools.

Reports and Parent Teacher Interviews

In week 10 all student reports will be sent home. You will have received a letter for Parent Teacher interviews on Tuesday and Wednesday. Once again, we will be conducting the interviews over the phone. These interviews are not compulsory however they are a good opportunity to catch up with the classroom teachers to discuss the reports, progress and goals for next year. Please make sure you send the form back to school

Secret Santa

This week the Secret Santa letter has gone home. We will be running two different ones in the Junior and Senior Classes this year. Please make sure, if you do not wish to participate, that you return the letter back to the office to avoid issues on the last day.

Enjoy the rest of the week

Mr Dempster

Principal

Dates To Remember

Thursday 2nd December - School Musical @ Court Theatre Lismore

Thursday 9th December - Northern Rivers Film Festival

Week 10 Reports and Parent Interviews

Thursday 16th December - Last student day of school 2021

Junior Class

The Junior Class have been working on creating an installation inspired by Alberto Giacometti's 'Cage'. This project involved students representing an environmental or sustainability message of their choice displayed in a rectangular prism made from paper straws. The students thoroughly enjoyed problem solving their way through this activity and have come up with some creative designs. It also provided an excellent opportunity for students to build on their social skills as they helped each other, shared materials and practiced being patient when faced with a challenge.

Senior Class

This week the Senior class have been finishing off some projects. On Monday we painted our clay tiles with Sophie. Each of the students worked on their Year 6 tiles as well as the new PBL tiles ready to be fired and glazed next week. It looks like we might be able to put up all of the tiles from the past two years onto our Year 6 wall as well as having some new additions to the walls around the school. We would like to thank Sophie for all of the time and effort she has put into this project and can't wait to see the finished products.

Seniors

MERIT AWARDS

This week we handed out merit awards to students that have demonstrated our school values of being KIND RESPONSIBLE LEARNERS. Congratulations to this week's winners.

In the Junior Class

Zephyr - For persistence when learning subtraction with trading.

Imogen - For persistence when learning subtraction with trading.

In the Senior Class

Sunny - For showing great determination with the musical backgrounds.

Ahlia - For a fantastic effort painting the musical backgrounds.

PBL Awards

Responsible - Zephyr
Learner - Leo

Filmby: The Northern Rivers

Lights, camera, action! Thursday 9th December sees the inaugural **FilmBy: The Northern Rivers film festival**, put together entirely by students from the primary school's of the Northern Rivers. Showcasing the hard work and creative efforts of all our students from Kindergarten to Year 6, the film festival will present short films and animations at a special drive-in screening in Week 10.

Working with the special item 'a **pineapple**', each school student has had the opportunity to learn about filmmaking with a number of professionals (including local film maker Ben Gilmore and head of FilmBy Glen Cater), who have come in to work with groups on writing, storyboarding, filming and editing throughout the various stages of the year.

There has been a lot of interruptions throughout this crazy year but our amazing students have all pulled together to complete their films ready for the festival.

The red carpet for FilmBy The Northern Rivers will roll out at Bangalow Showgrounds from 7:30pm till 8:30pm. **Tickets can be purchased online through Ticketebo at a cost of \$20 per car.**

<https://www.ticketebo.com.au/FBTNR2021>

Upon entry to the event you will be asked to provide your tickets then pull into the designated parking spaces for the viewing. Please note, **tickets will be pre-sold only**. There won't be any door sales, so get in quickly to secure your tickets.

This is a COVID Safe event and therefore, must comply with public health orders and any COVID-safe requirements in place. All visitors on site must be fully vaccinated and will be required to check in using the school check-in app and show proof of vaccination status on entry to the site.

A reminder there is no alcohol allowed as this is a school event and there will be no food on sale for the evening so pack a picnic and some drinks ready for the evenings entertainment.

Regards

The FilmBy The Northern Rivers Team

Term 4 Week 9 2021 Canteen

Cupcakes
San Choy Bau With Veg Option

Thank you to all the parents for volunteering this term!

School Musical The LORAX Premiere

The school is showing the kid's spectacular film - The Lorax on Dec 2 at the Star Court Theatre. To make sure the fun can continue, we (thanks to Megan) have reserved the back room at Dirty's from 7.15pm for anyone who wants to have dinner after the show.

Dirty's has on-table, individual ordering so each family can come and go as you wish, ordering as much or as little as you like. There are also options for anyone affected by the current Covid restrictions. We would like to get an indication of who will be coming (and numbers) so we can let the restaurant know for staffing purposes. Could you please let Megan or one of the P&C members know if your interested.

(The owners of Dirts have always been very generous to EPS by donating vouchers etc for school fundraisers so we thought it was appropriate to reciprocate.)
